

Highlands Ranch Public Safety Training Institute has been preparing students to take the P.O.S.T. examination to become certified as peace officers since 1998.

- **H.R.P.S.T.I. conducts FULL TIME academies, 40 hours per week. Classes meet Tuesday thru Friday (generally 7:00 a.m. to 5:30 p.m.) and occasionally some classes are held on Saturday. We will not exceed the 40 hour week. The total program lasts approximately 5 months.**
- **In addition to the required courses for a P.O.S.T. Certified Basic Academy, HRPSTI requires a military discipline approach, a basic level of physical fitness, problem based learning, reality based training and additional course work.**
- **The Academy now reaches beyond the basic POST requirements by adding certifications such as:
Rifle Certification, DUI/SFST, Intoxilyzer Certification, Radar & Laser Certification, Taser Certification, OC Training Certification and Level 1 Traffic Investigations.**

Please visit our website www.hrpsti.com where you will find additional information, an application packet, contact information, a link to P.O.S.T. and class information such as start dates, schedules and tuition. While we do not offer financial aid, we will certify veterans in filing for benefit requests.

You may e-mail us at: info@hrpsti.com.

*H.R.P.S.T.I. is certified by both P.O.S.T. (Peace Officer Standards and Training) and the State of Colorado, Division of Private Occupational Schools.
